Great Stirrup Cay

Situated among the Berry Islands in the Bahamas, Great Stirrup Cay is a 250-acre tropical oasis where guests can discover their own slice of paradise. Having purchased the island in 1977, Norwegian became the first cruise line to offer a private island experience. The sun-soaked excitement continues decades later with amazing activities and amenities featured on the island. From snorkeling a underwater sculpture garden and strolling along the boardwalk to savoring the new Abaco Taco, there's something for everyone to enjoy. And with our exclusive luxury lagoon coming soon, guests will be able to take island relaxation to the next level.

WHAT TO DO ON GREAT STIRRUP CAY

SNORKEL UNDERWATER SCULPTURE GARDEN
Located in the warm tranquil waters of Bertram's Cove, you'll snorkel your way around playful statues of mermaids, sea creatures, fountains and urns where lobster, crab and shrimp have made their home in the cracks and ledges of the art pieces. Our underwater garden has been specifically designed as a place of entertainment for both marine and human guests. Garden access is open to all and self-guided, allowing you multiple trips to explore each and every underwater statue throughout the day.

STINGRAY CITY BAHAMAS
Experience this exciting stingray encounter, which begins with a briefing where you'll be given a mask, snorkel and snorkel vest. Then it's time to pet, feed, play and snorkel with the stingrays in the turquoise waters of the Bahamas. Led by well-trained staff, you'll have an amazing 45 minutes with these fascinating marine creatures.

WAVE RUNNER TOUR
Take an exhilarating 45-minute guided tour on wave runners through the Berry Islands. After a safety briefing and orientation, you'll board your Wave Runner for an exciting guided tour. Some of the sights you may encounter include the Lighthouse at Great Stirrup Cay, Slaughter Harbor and the abandoned island community of Cistern Cay.

MARINE LIFE ENCOUNTER ECO BOAT TOUR
Come aboard a 40-foot long pontoon catamaran for a scenic, relaxing guided tour. Your naturalist guide will tell you all about the fascinating animals you'll encounter, such as turtles, sharks and stingrays, as well as information about the Bahamas eco system.
